SPONSORS & GOVERNMENTS ABOUT THE CONFERENCE

“ This is an excellent event with an extraordinary organization and high level of speakers. This event is definitely must-to-be for governmental solutions. The speeches are perfect. Perfect combination of government and industry. The audience is perfect for us – all the stakeholders we want to see. Great event for state corporations to participate and to learn about new products. I spoke to many of the Government representatives there, which was unparalleled to other conferences I have been to. The quality of represented products is outstanding. Every aspect of the event was performed higher than my expectations. ”
